DEAR MANAGER,

I have always been a loyal fan of your store and continue to appreciate the new and exciting selection of products you offer. However, I do feel there is one brand missing from your selection.

Raisels are fun-flavored golden raisins that come in 10 unique flavors - everything from Sour Watermelon Shock to Savory Pineapple Chili Limon. They're a big hit in the school lunch program, where over **20 million boxes** have been devoured by students, teachers, parents and faculty alike.

These are my favorites that I look forward to buying from you:

- Orange Burst
- Fruit Splash
- Watermelon Shock

FRUIT FLAVORED

- Grape
- Pineapple
- Raspberry
- Tropical

FIESTA

OTHER

- I want them all!

If you would, please contact your local Raisels broker, or reach out directly by emailing **sales@nationalraisin.com** or calling **(559) 834-5981** for information on how to get Raisels in your store.

Sincerely,
